Let Your Light Shine

Have students name each part of the light bulb.

- Glass Bulb
- Gas Filling
- Tungsten Filament
- Support Wires
- Dumet Wire
- Exhaust Tube
- Stem
- Fuse
- Cap
I Am Passionate About…

Have students write a story about what they are passionate about. Students should include why they’re passionate about this and how it glorifies God.

Enrichment Suggestion: Have students sit in groups and discuss with one another what they are passionate about.
Word Scramble

Have students unscramble words that deal with job titles.

**Enrichment Suggestion:** Have students research the occupations to find out what they do and how much they make a year.

1. OSTAPR
2. CRODOT
3. SUENR
4. HRTACEE
5. HPRGPEROAHTO
6. VOIME RRDICTEO
7. OEC
8. NRAOPELS EANRTIR
9. CEACTHRTI
10. KEANBR
11. RURTNEENEPR
12. CROAT
13. RAHI YSSTTLI
14. EENIRNGE
Action For Goals

Have students fill out the Action for Goals worksheet.

**Enrichment Suggestion:** Take a trip to the local homeless shelter or boys and girls club and have students help out or bring in things to donate. *(Worksheet Attached)*

---

**Example:**

1. I will learn to play a musical instrument proficiently in 5 years.
2. I will determine which instrument I would like to play.
3. I will find a tutor/teacher and begin taking lessons weekly.
4. I will practice daily for 60 minutes.
Action For Goals

Name: ____________________________

In each box below, state a goal that is important to you and then identify the mini goals/action statements needed.
My Heart

Have students create a heart (or trace). Inside the heart have the students break it up into 6 sections. Outside each section, students should write the words love, happy, stressed, proud, activities, and sad. Outside of each section, have students to write what they love, what makes them happy, etc. Students are free to color the heart or decorate. See the example below.

**Enrichment Suggestion:** Bake cookies in a heart shape to have students pass out to the staff and students. *(Worksheet Attached)*
My Heart
The Pitch

Have students create a 60-second pitch (known as an elevator pitch) on a business they would like to start, or a pitch about themselves to decide how they shine. The pitch should include their name, who they are, what they do or want to do, and who they do it for.

Enrichment Suggestion: Allow each student to stand in front of the class to read their pitch. This will help with self-esteem, team building, and learning to pitch in front of a group of people.
Bumper Sticker

Have students create a bumper sticker. On the sticker, they should write a word or phrase they would like to start.

Enrichment Suggestion: Allow each student to stand in front of the class to read their bumper sticker; this will help with self-esteem, team building, and how to sell your idea in front of a group of people.
Teen Lesson 8

**Puzzles**

Have students work in groups to assemble large puzzles. Assign a puzzle to each group. The first group to complete its puzzle should win a prize.

**Enrichment Suggestion:** Have the students create their own crossword puzzles and allow the students to complete them as a team.

Teen Lesson 9

**Praise**

Have students write words of praise on the clouds and tell why it’s important to give praise.

**Enrichment Suggestion:** Have the students create a poem, prayer, or song out of the words they wrote on their clouds. Allow each student to share their poem, prayer, or song once everyone has completed the assignment. *(Worksheet Attached)*
Praise
Vision Board

Have students create a vision board with pictures and phrases to show where they see themselves in the next five years.

*Enrichment Suggestion:* Have students share their vision boards with the class.
