For God's Little Children

Julian and his grandfather loved looking out at the stars on a clear night.

"Oh, I think I see a shooting star, Pop!" Julian said smiling.

"Oh, my! You know who made this beautiful sky?" Pop asked.

"God made the stars and the sun and the moon!" Julian replied happily.

"You got it!" Pop said. "Just like these stars give us light at night, God is our light in this world. Remember to always trust Him!"

"Always," said Julian while hugging Pop.

*“Through him all things were made; without him nothing was made that has been made”
(John 1:3, NIV).*

In the Beginning

Jesus has been around forever. He was with God when God created the world. Jesus is called “The Word” in the Bible because it was His voice that made Earth and sky and grass and trees and flowers. And even though He lived in Heaven, He came to Earth to live with us. He is God, but He became human, too, so that He could live like us, love us,

and die for us. He loves us that much.
