

Fireworks – Celebrating Light

Tomorrow, July 4, is Independence Day. Many people will celebrate while watching fireworks light up the night sky.

Design a picture of fireworks below. On each “explosion,” **print one way you can share the True Light of Christ in your world.** (Think of ideas like “show kindness,” “love my neighbor,” “use peaceful words,” etc.)

Color each explosion with bright colors. Copy the words of **John 1:9** under your picture.
