For God's Little Children

Amie loved to go to Sunday School. At Sunday School, she played with her friends and they sang songs to Jesus together. They listened to Bible stories and learned about the living God. When Amie went to church, she felt God's love and learned how to love God and people more. It helped her make better choices at home and at school. Amie wanted to tell everyone about God's love! She wanted to make good choices to show others that she loved God! Amie was so thankful for church friends and family who encouraged her to believe and have faith in God, to love Him, and to love others!

"Let us hold unswervingly to the hope we profess, for he who promised is faithful"
(Hebrews 10:23, NIV).

Never Give Up!

We should feel good about being near to God through Jesus. So let us get even closer to God, being sure of our faith. We should be faithful because God is faithful. We should love each other, do good things, and always encourage each other. We should help each other love God and others. Never give up!

If we keep doing bad things and break God's rules when we

know we shouldn't, that is called sin. God does not like for us to sin. Sin has consequences. God is pleased when we love each other and do kind things. Let's keep worshiping together and following God.

UMI MISSION STATEMENT

We are called of God to create, produce, and distribute quality Christian education products; to deliver exemplary customer service; and to provide quality Christian educational services, which will empower God's people, especially within the Black community, to evangelize, disciple, and equip people for serving Christ, His kingdom, and church.

Memory Verse:

"Let us draw near to God with a sincere heart"
(from Hebrews 10:22, NIV).

Your child learned that there is joy in having faith in God and encouraging others in their faith. You can encourage your child in their faith this week by praying together.

In God's Presence

We can love God more when we pray to Him. Color the picture of the children praying. What can you pray about? Tell your teacher.

"I can't wait to go to Uncle Ted and Aunt Tina's house today!" said Jimmy as he packed his overnight bag.

"I'm sure you'll have a fun time, Jimmy," said his mom. "They are going to take you to the circus and then out for pizza."

"Yippee!" shouted Jimmy. "They are the best aunt and uncle ever!"

"They always take such good care of you because they love you very much," said Jimmy's mom. "It's good to have people in your life that you love and trust."

*"Now faith is confidence in what we hope for and assurance about what we do not see"
(Hebrews 11:1, NIV).*

We Believe

Faith is believing in something, even when we can't see it. Faith brings hope. Because of faith, we know and believe that God created the universe. He created everything. Even though we couldn't see it, we believe it.

Believing in God pleases Him. But if we don't believe in Him, we cannot please God. It is good to believe that He is real

and that He blesses those who come to Him. God will always help us.

God is our safety and strength. He's always there when we need Him so we should not be afraid, even when bad things happen on the earth.

We know that God has done great things! We can see them and celebrate them. We can be at peace knowing that He is God and He is with us. He protects us like a castle protects the people inside of it.

Safe in God

The Bible says that God is our refuge. He is a safe place for us to go when we are afraid. Help the boy get to the safe place of God by finding your way through the maze. Draw a line from the boy to the tower.

**Memory
Verse:**

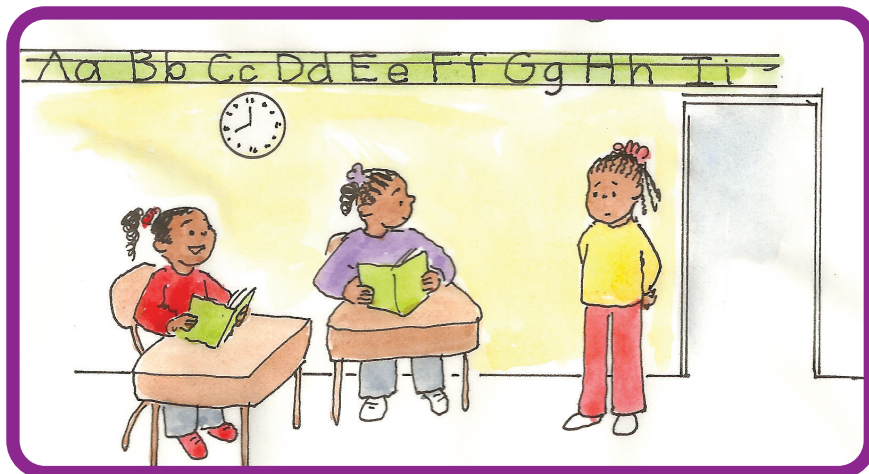

"Without faith it is impossible to please God"
(from Hebrews 11:6, NIV).

This lesson teaches that we can have faith in God because He loves and cares for us. Faith may be hard for preschoolers to understand so we've compared it to trust. Talk with your child about people they can trust.

GROWING

Trust God

When can you trust God? Always. Look at the pictures. Talk about them with your teacher. How can God help you in these scary situations?
