For God's Little Children

Baylee was very sick. She had a sickness that very few people ever had before. Baylee's parents needed lots of help so they could care for her.

People from the church helped and prayed. They made sure the family had food. People from the school helped. They made sure Baylee's brother and sister had school supplies. People from the neighborhood helped. They made sure Baylee's brother and sister had other kids to play with. Baylee and her parents were happy that people wanted to help.

*"Paul went in to see him and, after prayer, placed his hands on him and healed him"*  
(from Acts 28:8, NIV).

## Paul's Prayer of Healing

When Paul and the other men made it safely to an island, the people who lived there were very nice to them. Since it was a cold and rainy day, the people built a fire to keep everyone dry and warm. Paul helped them gather wood, but a viper bit his hand. A viper is a very poisonous snake that could kill whoever it bites.

When they saw Paul get bitten by the snake, they thought for sure that he would die. But he didn't. They waited a long time, but nothing happened to him. So, they changed their minds and decided that Paul must be special.

It was hard for Paul to be in a new land because he didn't know anyone. There was a nice man who let Paul and some other people stay in his house for three days. That man's father was sick, so Paul prayed for the man's father. Paul prayed because he knew that God has the power to heal. After Paul prayed, the man was healed.

**Paul Prayed**

Circle the picture that shows Paul praying.

**Memory  
Verse:**

*"Pray for each other so that you may be healed"*  
(from James 5:16 NIV).

Today your preschooler learned that God has the power to heal. They also realized that God's people help each other in their time of need.

For God's Little Children

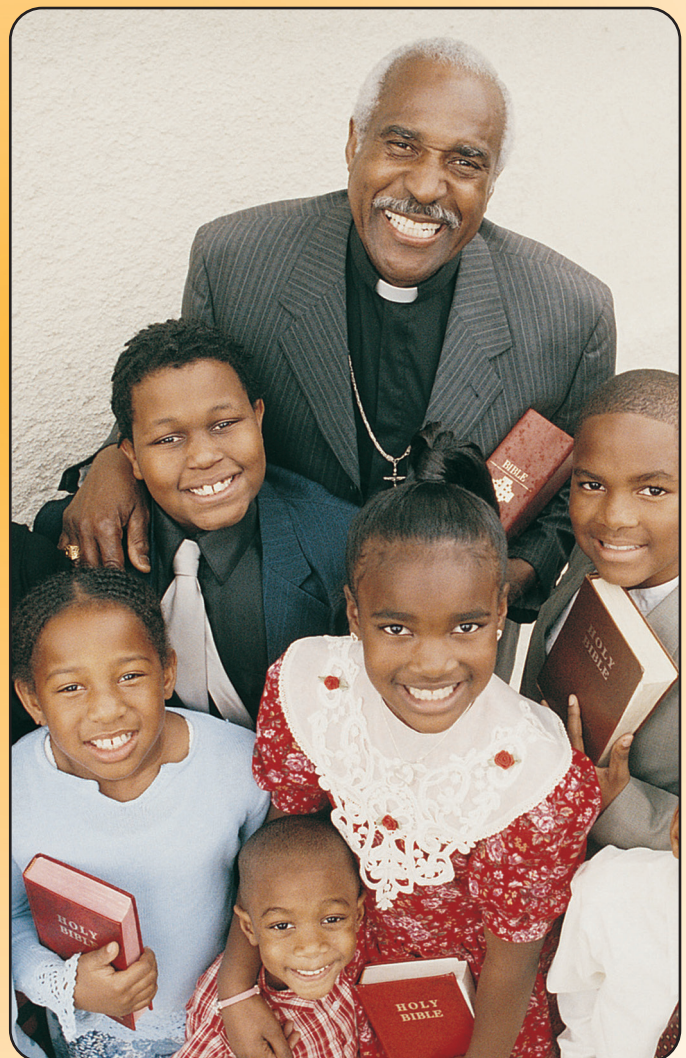

It was Family Day at church. Taylor's parents invited the whole family to come to church.

Taylor and his entire family were there—even family members who do not go to church. "Jesus loves you," the pastor said.

"Today, you can accept Christ as your Savior."

Some people stood to accept the Lord, but some did not.

One of the people who accepted Jesus was Taylor's older cousin. The pastor shook his hand and prayed for him. The family was very happy.

*"Therefore I want you to know that God's salvation has been sent to the Gentiles, and they will listen" (Acts 28:28, NIV).*

## Share the News

A lot of people came to see Paul in Rome. He preached all day long. He talked to the people about the kingdom of God to convince them to believe in Jesus. Some believed him, but some did not.

Many Jews disagreed with Paul. They didn't believe that Jesus was the Messiah, the Savior they had been waiting for. They didn't believe Jesus

could save them. Paul was disappointed. He told them that they were not listening to the Holy Spirit, who helps us understand. It was like their eyes and ears and brains were not even trying to understand what he was saying about Jesus.

Paul told them that salvation would be for non-Jews, too. He knew they would listen and believe. Paul was there for two years, freely preaching about the kingdom of God and Jesus to all who came.

**Many Believed**

Look at the people that Paul preached to. The people wearing red are believers and those in blue are not believers. Count the number of believers and unbelievers.

**Memory Verse:**

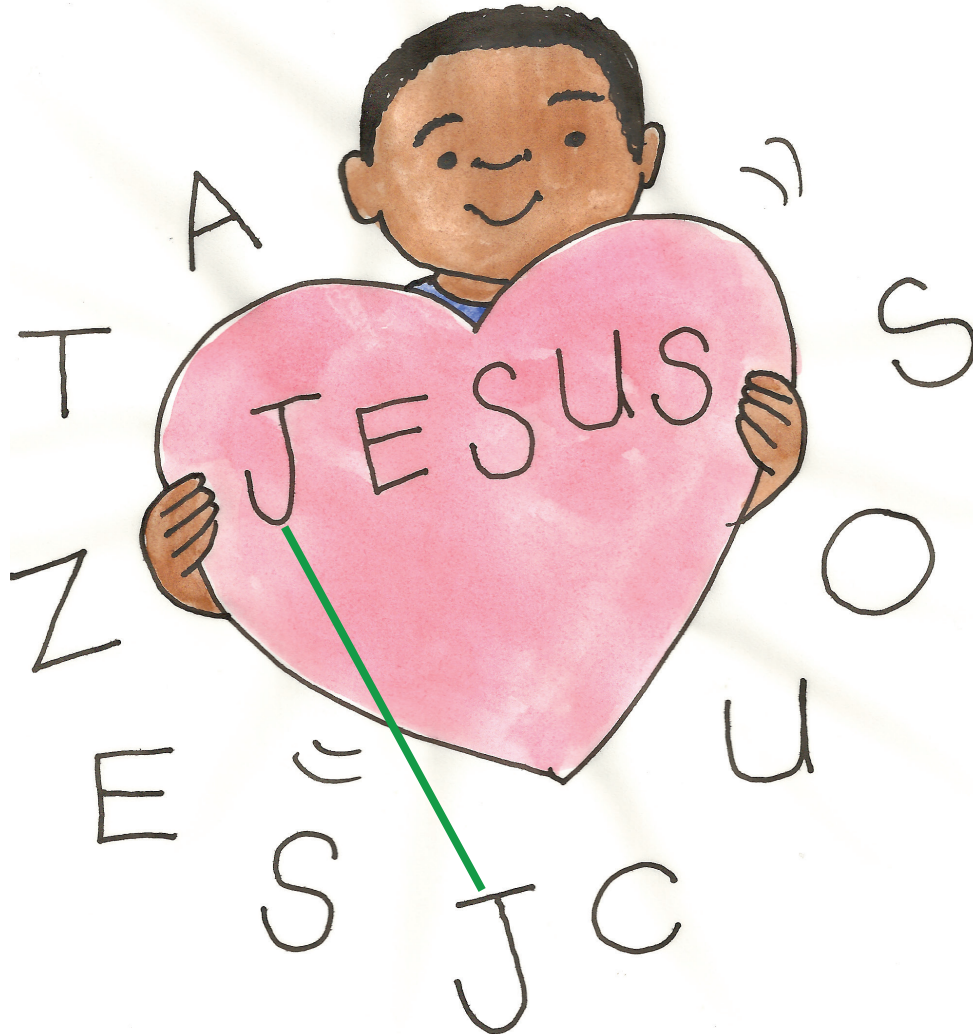

*"My mouth will tell of your righteousness, of your salvation all day long" (from Psalm 71:15, NIV).*

This lesson teaches that we should share the Good News about Jesus to all who will listen. It is our hope that they will believe.

### Accepting Christ

Taylor's cousin accepted Jesus Christ as his Savior. Match the letters around the boy below with the correct letters written in the heart. The first one has been done for you.
