

How to use UMI's *Craft Kingdom*[®]

Young children need to learn Bible truths through all their senses.

Craft Kingdom[®] will involve the child in active learning, making the lessons a part of their lives. This activity book uses a variety of skills to help students be prepared for school. Cutting, pasting, coloring, and following directions are skills all children need to learn. *Craft Kingdom*[®] activities reinforce Bible teaching and make Sunday School fun.

Remove activity pages from the book for younger students. Older children may remove the pages themselves. Fold along the perforation to make tearing

Creative Handwork Activities for ages 2 to 8

December 2022 • January • February 2023

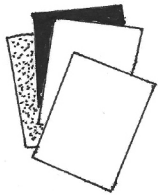

easier. Cut the lesson number margin from the top of the activity page. Heavy lines show where to cut, dotted lines show where to fold, and gray lines show where to glue colorful pieces cut out from the front

or back covers. Allow older students to do as much of the handwork as possible themselves. Younger children may skip coloring small pictures or color creatively.

Enrichment suggestions are included for students who enjoy challenging craft activities. Teachers may make each week's craft before class, so they are familiar with the supplies needed and are better able to help the students.

Supplies the children will need:

construction paper

hole punch

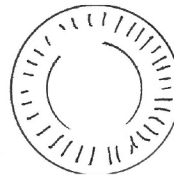

paper clip

scissors

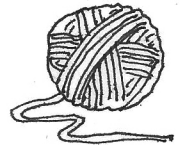

paper plates

dried beans

yarn

tape

pencils

paper fasteners

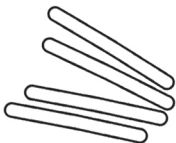

crayons or markers

glue

wooden sticks

water colors

bendable straws

stickers

glitter

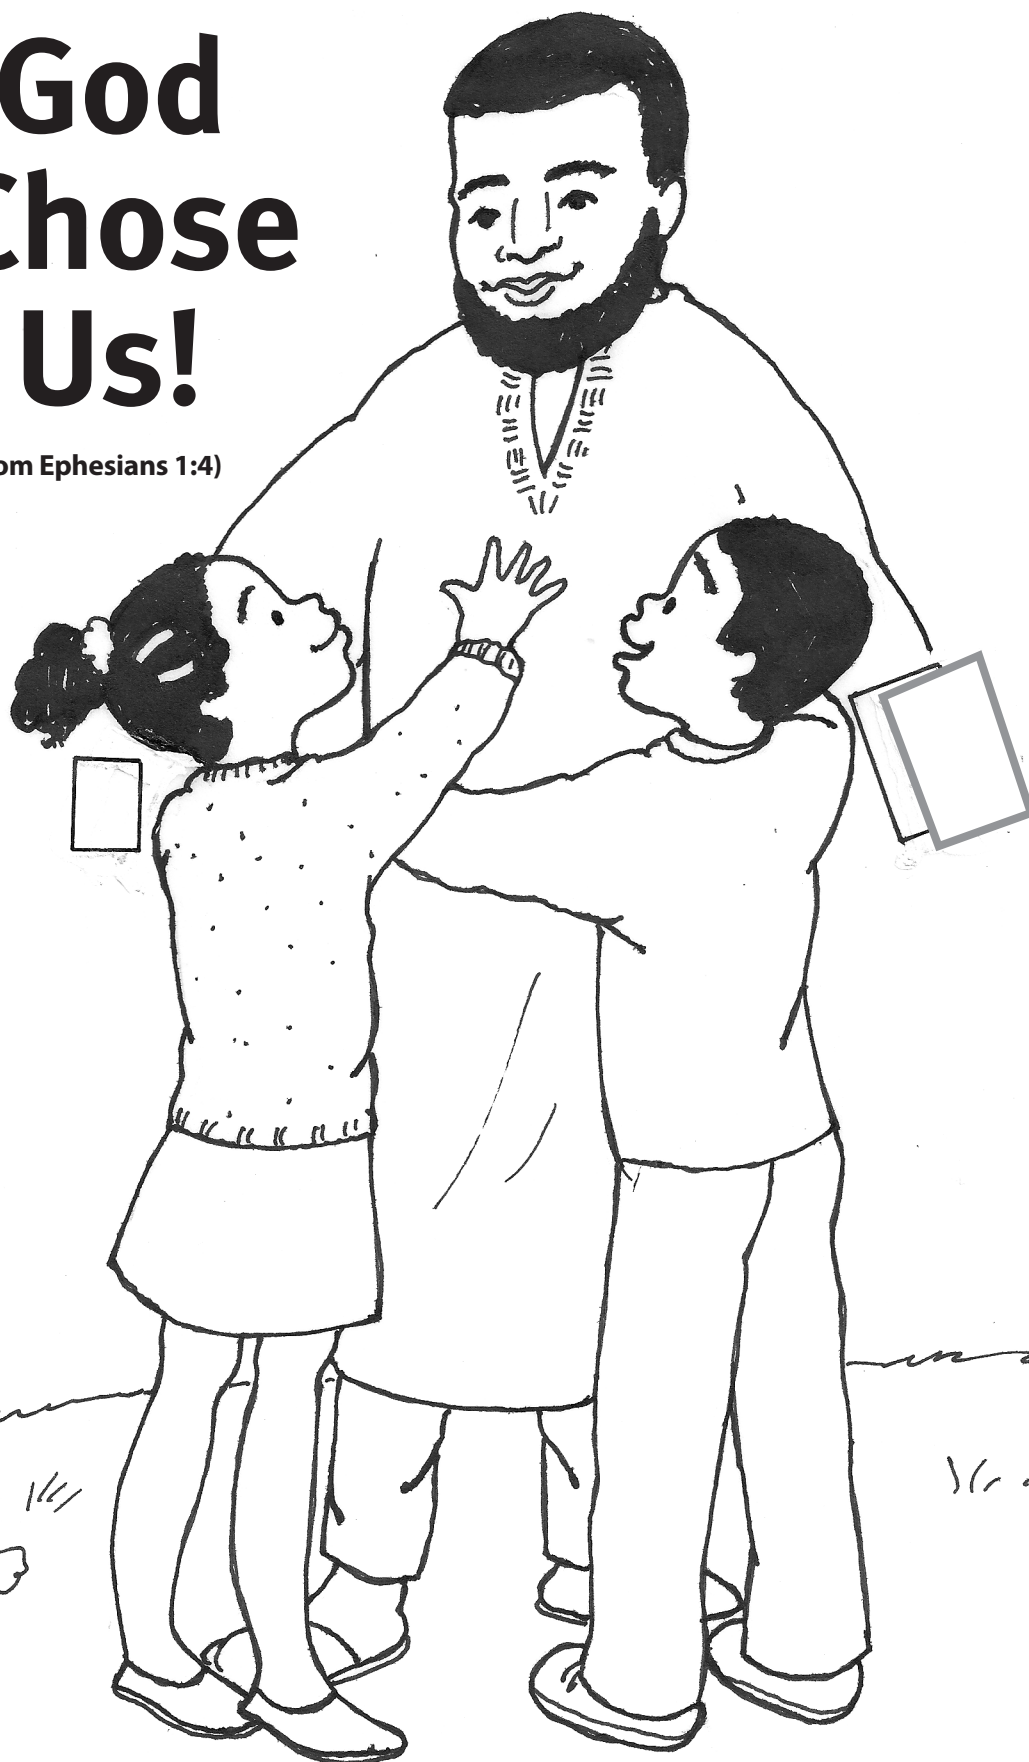

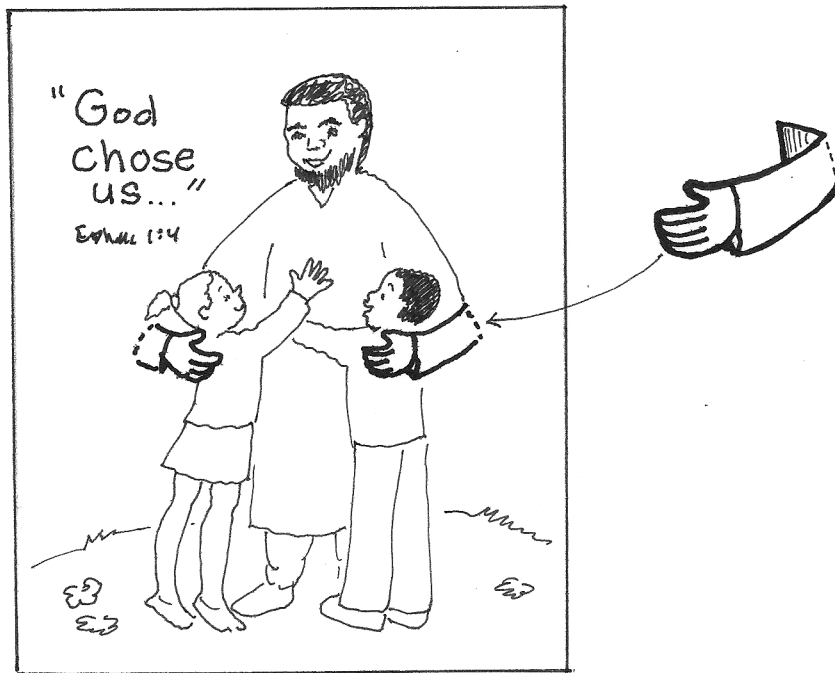

UMI Mission Statement

We are called of God to create, produce, and distribute quality Christian education products; to deliver exemplary customer service; and to provide quality Christian educational services, which will empower God's people, especially within the Black community, to evangelize, disciple, and equip people for serving Christ, His kingdom, and church.

God Chose Us!

(From Ephesians 1:4)

Lesson 1:

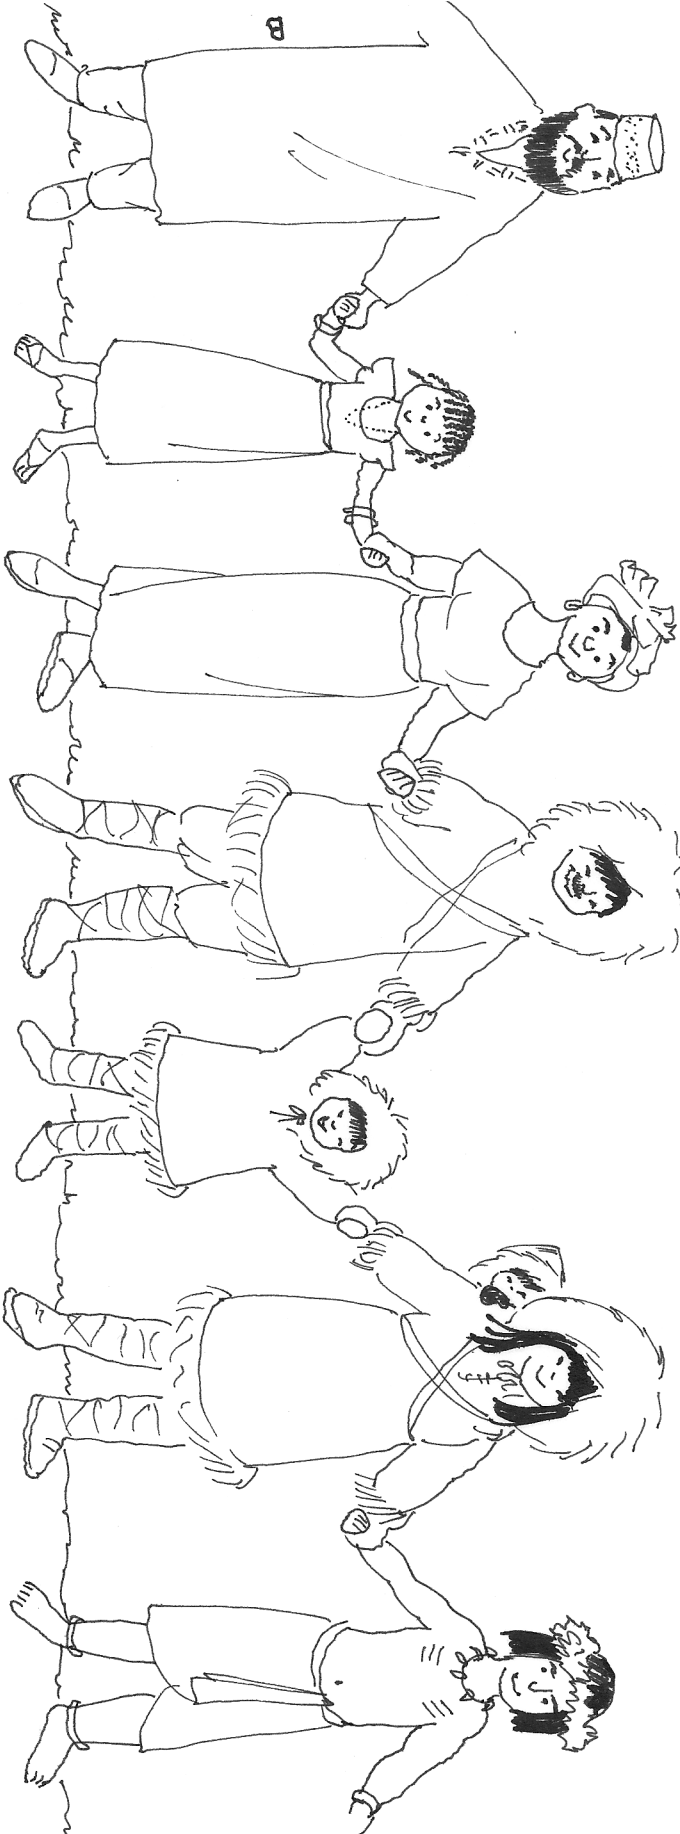

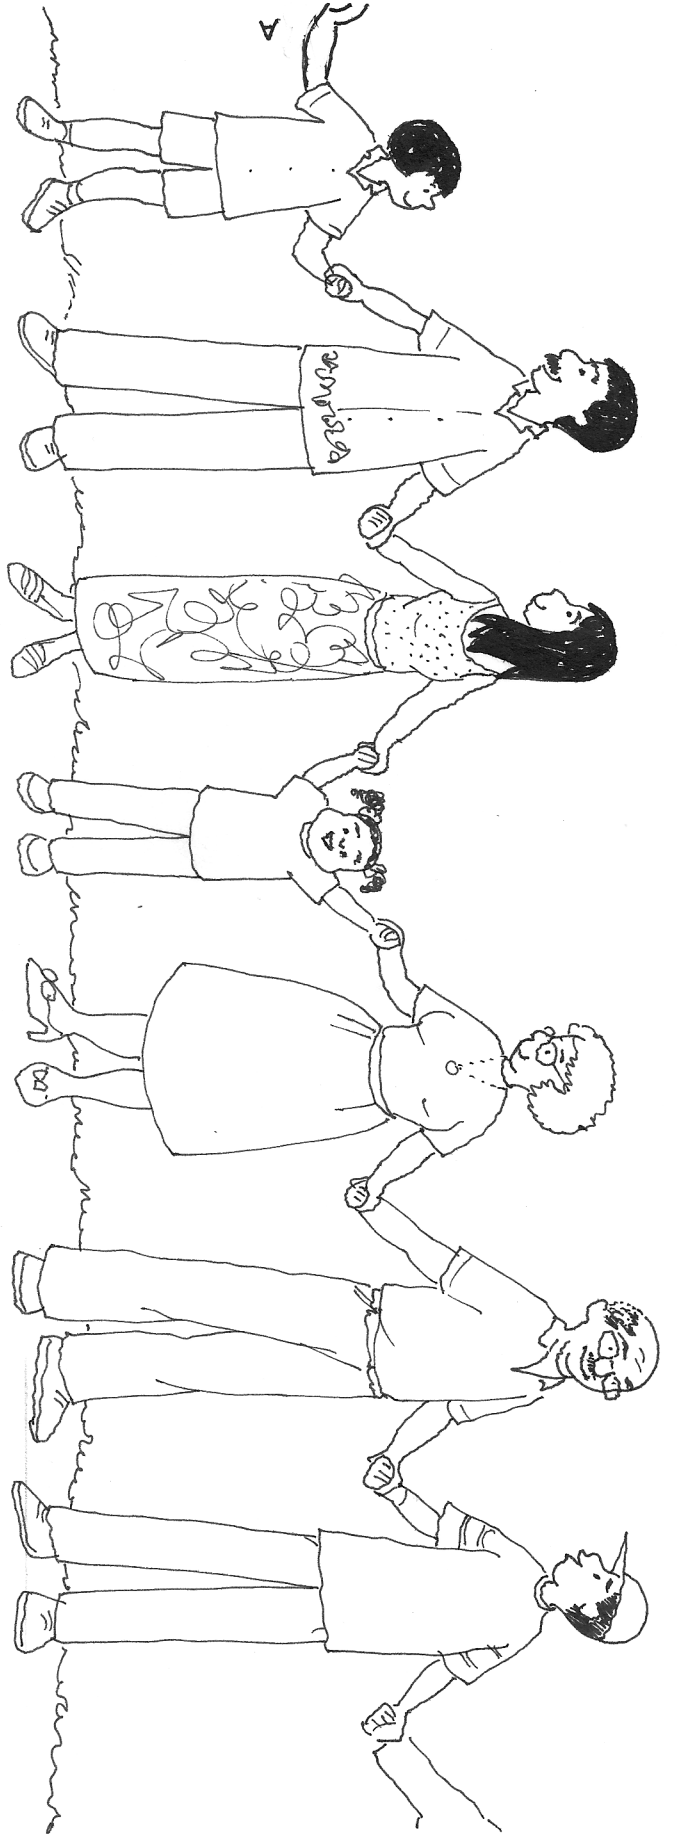

Lesson 1:

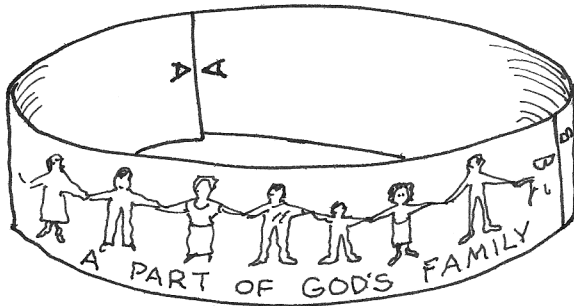

Make a turn-around showing kids drawing close to God. Cut out the split circle from the front cover. Color and cut out the circle from the activity page. Push a paper fastener through the "X" at the center of the split circle, then through the "X" at the center of the picture circle. Open the paper fastener at the back. Cover the points with tape to protect small fingers. Hold the top circle. Move the large circle around to show pictures.

Enrichment suggestion:

Students may glue bits of fabric to the children's sweaters. Fabric should be 1" x 2".

We are part of God's family!

**Lesson 2:**

Make a banner. Draw around the student's hand on the activity page. Glue the activity page to a sheet of construction paper. Punch two holes at the top of the page. Lace an 18" piece of yarn through the holes and tie together to hang the banner.

Enrichment suggestion:

Children may decorate the page with glitter or stickers around the edge of the page.
